THE PEOPLE'S PAPER.

# -THE-

SALT LAKE DAILY HERALD.

The remarkable success of the panel The remarkable success of the paper in the past, as manifested by its large and steadily growing subscription list, its increasing advertising patronage and the expressions of goodwill towards the journal which greet us from all quarters, convinces the publishers that they are doing what they lishers that they are doing what they set out to do—namely, furnish a newspaper that the people would like, and therefore support. The Herald, as in the past, will be the people's paper. Independent in a political sener, it will always be found on the side of the people, outspoken on questions affecting the rights of the masses; battling for local self-government and the largest liberty to infividuals consistent with public good; taboring for a pure, honest and economic administration of government; treating public matters dispassionately and employing language calculately and employing language calculated to enlighten the reason of men, rather than influence their passions. and working for peace and the de-velopment of the resources of the ter-ritory, instead of trying to create strife and retard progress. With our in-creased facilities for gathering news, both by telegraph and mail, the em-ployment of a larger number of cor-respondents in different sections of the country, and the better arrange-ment of all the many details of the establishment, we confidently promise to make the FAIT LAKE DAILY HERALD a better paper than ever.

### SALT LAKE SEMI-WEEKLY HERALD

This valuable and popular edition of the Herallo will continue to make its appearance twice a week during the year, and the same degree of progress and improvement that marks the Daily will be seen in its columns. No better newspaper can be found in the west for those people who are not blessed with daily mail facilities, than

The demand for a WEEKLY HEBALD The demand for a Weekly Helain has been very pressing during the past two or three years. The aim of the publishers will be to furnish a paper for those people who live off the main lines of travel and who are not accommodated with mail service oftener than once a week; to vice oftener than once a weak; to provide a newspaper for those who have only one day a week of leisure to devote to the pleasant and profits ble employment of reading; to supply a suitable edition of the Herant for sending abreat—a paper that shall faithfully and honestly represent this faithfully and honestly represent this faithfully and convey territory, with its faithfully and honestly represent this great and growing territory, with its many and important industries and its thrifty, enterprising people; to make a paper for the home circle and family fireside, one that shall contain the news, and at the same tinde combine the essential elements of a literary, educational and industrial journal, in fact, our aim will be to make the Westly Herald a welcome the Weekly Herald a welcome visitor to the home, where it will be found a constant fund of instruction,

found a constant fund of instruction, entertainment and profit, to all members of the family Besides the leading characteristics of the Daily, the Weekly will contain matter specially for the agriculturist, the gardener, the stock-raiser, the mechanic, the kitchen and the household generally, and an important feature of its columns will be the well-chosen, entertaining and moral literature, also reports of the Tabernacle discourses. Nothing will be admitted to its columns that has not first been carefully prepared and revised.

Comments on Kenraey.

Chicago, 17.—The Tomes, after expressing satisfaction that it was mistaken in supposing the courts would not panish Kenracy, says, in conclusion of a long article? No sentence was ever more richly esrned than the one which the San Brancisco polloe court has proposing the court would not perform the San Brancisco polloe court has proposined upon him, but also that other ring leaders of the mob may receive an equal measure of justice, and that the common histomayor, Kalloch, after first being imposched said removed from his offictor the use of incending is spage, may be sent to join Kearney at the peniteration.

The Tribume says: Denis has now assertained how far be can proceed in practicing a breach of the peace and inciting communists to murder citizens without being mainshed himself. It seems he can notite the sand-loters in an indifferent way to assessinate citizens, but must not publicly design at persons who are to be mundered. He has expert, it appears, on the second charge, and is only punished for trying to provide a heach of the peace and breating. Denis will have six months followed in which to think over the matter whether his last harangue to the sand lot rabble really paid or not.

The Inter-Ocean along considers the sentence severe and likely to rectore to him the leadership of his dupes.
